

# Cynthia Harris-Pagano

## North Light workshops

four consecutive Wednesdays in July 2017  
The workshops will be in oil starting at 9:30am  
beginning with a demonstration of the  
North Light palette

North Light is an interior controlled light coming from a high window facing north. It produces a cool and often atmospheric light as opposed to the more rigid control of artificial light. North light has produced many of the greatest paintings in history.

Cynthia Harris-Pagano works and teaches from one of the few such studios in the Hudson Valley. Her selected and widely collected works may be seen on either of two websites: [www.cynthiaharris-pagano.com](http://www.cynthiaharris-pagano.com) and [www.portraitartist.com/pagano](http://www.portraitartist.com/pagano).

Workshops will be on Wednesdays: July 5, July 12, July 19, and July 26. Individually at \$40, \$77.50 for a selection of

two, \$115 for a selection of three, and \$150 for all four.

### **The workshops will be in oil.**

From 9:30 -10 am Cynthia will give a demonstration and/or review of the North Light palette

From 10am-12noon painting from a choice of two still-lives

12noon-12:30, lunch break, bring sandwich, coffee available in studio

12:30 – 2pm Continue painting. Photos may be taken for continued work (no flash) as each workshop will have new set ups or live model.

Cynthia Harris-Pagano's studio, built off the North of her home, located at  
24 Seybolt Ave. Otisville, NY, 10963
